

STAS signo light fixture

technical product information

Product description **STAS signo light fixture chrome**

The modern designed Signo fixture is easy to install in all STAS multirail systems. Simply click the fixture into the rail.

The greater the distance to the artwork, the more diffuse the light beam will be. The signo fixture is installed at 24.41 inches (62 cm) from the wall and is ideal for lighting larger pieces of art. The Signo fixture is available in chrome and is executed with a flexible part, allowing you to illuminate your wall decorations just the way you want. Further adjustment of the fixture is not necessary, you only need to install the lamp.

STAS signo 70 cm

mounting

Tip: with the Sirius and Signo fixtures is a plastic wrench included, which allows you to simply disassemble or move the fixture, preventing damage to the wall.

STAS sirius light fixture

technical product information

Product description **STAS** sirius light fixture chrome

The modern designed Sirius fixture is easy to install in all STAS multirail systems. Sirius is available in a length of 19.68 inches (50 cm), executed in chrome. You can click the fixture into the rail with a simple motion. Adjusting the fixture is not necessary, you only need to install the lamp and through the flexible portion of the fixture you can highlight the wall decorations in the desired manner.

STAS sirius 50 cm

mounting

Tip: with the Sirius and Signo fixtures is a plastic wrench included, which allows you to simply disassemble or move the fixture, preventing damage to the wall.

STAS powerLED 4W mat

technical product information

product description **STAS** powerLED 4W mat

The new generation STAS power led 4W creates a brilliant light pattern on artwork. This LED is provided with a beautiful closed housing which enables sufficient heat release yet avoids light spill at the rear side. Furthermore, the LED lamp is equipped with 3 LEDs and a frosted lens. The STAS powered has a long lifespan (20,000 hours) and is suitable for all STAS fixtures.
